

Nautilus Insurance Partners with Kawasaki for Superior Jet Ski Insurance

Nautilus Marine, the Australian based marine insurance specialist, has formed a partnership with Kawasaki Motors to provide Kawasaki Jet Ski owners with a tailor made insurance product. This will provide Kawasaki branded Insurance Products through the Kawasaki Dealer Network for the comprehensive range of Kawasaki Jet Ski's, both new and used.

This new partnership will provide Kawasaki Jet Ski owners with a tailor made insurance product to protect themselves and their Kawasaki.

"We are delighted to have extended our insurance offerings to include Kawasaki as one of our key partners," said Mark Crockford of Nautilus Marine.

Mark Crockford, National Marketing Manager of Nautilus Marine says, "We are excited to enter into the fantastic new partnership with Kawasaki – a brand which enjoys a loyal following."

"It was an easy decision for Kawasaki to choose Nautilus Marine to partner with for our Jet Ski insurance program. Nautilus provides some serious competition in a competitive market to Australian Mariners and we're already supporting parts of the Kawasaki dealer network."

Keep the good times rolling.

“We are very excited with this new partnership with Nautilus Marine– they are focused on providing Jet Ski insurance products that are tailored specifically to mariners.” says Robert Walker, National Sales and Marketing Manager of Kawasaki Motors Australia.
