

Webbe Marine Demo Day For Cat Lovers

Catamaran hulls are a special breed offering superior stability and unique handling traits. In order that boaters can experience the true performance attributes of catamaran hulls, Webbe Marine is convening a demonstration day in Sydney.

Proudly the only catamaran specialist in Australia, Webbe

Marine is the authorised agent for the Webster's Twinfisher range of aluminium trailerable catamarans, along with PowerCat luxury fibreglass catamarans. Both brands offer the ultimate combination of stability, onboard cockpit space and outstanding rough water performance.

Above: Webster's Twinfisher 5.2 runabout.

Below: Luxury in a catamaran, the PowerCat 26.

The Webbe Marine demonstration day will include three Webster's Twinfisher models, the 4.3, 4.9 and 5.2 Webster's Twinfisher Runabouts.

If larger luxury boats are your passion, then the PowerCat 26 & 30 models will both be on the water for customer evaluation.

The Webster's Twinfisher demonstration day will be staged on **Saturday November 7th**.

The PowerCat demonstration day will be staged on **Saturday November 21st**.

“While we have built our ‘catamaran specialist’ reputation on the Sailfish brand of aluminium catamarans, our recent appointment as Webster's Twinfisher and PowerCat agents has served to reinforce our position as Australia’s leader in this category,” Gavan Daly of Webbe Marine said.

The Webster's Twinfisher range is unique in that these hulls perform incredibly well on a single Honda outboard engine and offer a ride and stability normally found in larger boats.

If luxury and true offshore boating pleasure is your passion, the Australian built PowerCat boats deliver the ultimate in comfort, exceptional beam and silky smooth performance.

To ensure each group is given an appropriate amount of time on the water, interested parties must pre-book their demo time to avoid missing out. Be sure to call Ashley Faraj or Gavan Daly on (02) 9521 7944 to lock in your on-water demo and spend time with a team of knowledgeable and experienced industry professionals who are devoted to the catamaran marketplace.

With both the Webster's Twinfisher and Powercat brands being new to Webbe Marine, there are some fabulous launch-only special offers available. Thanks to the manufacturer and dealer rebates in place for the demo weekend, customers who order on the demo day will be offered never to be repeated deals.

Webbe Marine is a specialist power catamaran marine retailer, being the authorised agent for the Sailfish, Webster's Twinfisher and PowerCat brand of boats. The company also proudly represents Honda outboards.
