

Webbe Scores Top Accolade Again

For the second consecutive year, Webbe Marine has received the coveted Honda New South Wales Dealer of the Year award.

Webbe Marine received that same NSW Dealer of the Year award from Honda in 2008 and has now backed it up for 2009.

Recognised for outstanding sales success and dealer excellence, Webbe Marine is a specialist catamaran dealer and is an exclusive Honda dealer who displays unqualified commitment to the Honda brand.

Webbe Marine restructured their business in 2007 to focus exclusively on power catamarans. As a part of the re-structure, Webbe Marine relinquished several outboard engine franchises to retain Honda as their exclusive choice of outboard power.

“Honda 4-strokes are renowned throughout the world for their build quality, quiet operation, smooth performance and fuel efficiency. These attributes

continue to appeal to our customers and give us confidence that our boats will perform at their best with a Honda on the back.”

“Moreover the recent releases of the Honda BF60 model has given us an additional selling feature, particularly when we are selling our smaller to mid sized cat rigs. This engine in particular is a wonderful match to our new Webster’s Twinfisher line.”

Webbe Marine offers leading twin-hull power boat brands in Sailfish and Webster’s Twinfisher aluminium catamarans. Based on their specialist expertise, Webbe Marine has just announced their appointment as a PowerCat dealer. Chosen for their renowned offshore performance and sheer quality of finish, all three brands have found favour with customers needing a boat that can handle the turbulent offshore waters of the eastern seaboard.

“Our customers are generally experienced boaters who know their way around boats, engines and fishing. Once our customers experience the joys of owning and operating a Honda 4-stroke outboard, they never look back. Honda is a great brand to own and a great brand to represent,” said Gavan Daly.

Webbe Marine is a specialist Sydney power catamaran marine retailer, being the authorised agent for the Sailfish, Webster’s Twinfisher and PowerCat brand of boats. The company also proudly represents Honda outboards.
