

Save on Sailfish Catamarans In March

Webbe Marine, the authorised retailer of Sailfish aluminium catamarans, has combined with the manufacturer of these remarkable boats to offer big cash discounts in March 2010.

“This is a unique opportunity to order a Sailfish Catamaran and save,” Gavan Daly of Webbe Marine said.

“Normally Sailfish Catamarans only offer these retail price reductions for the week of the winter boat shows, so this is truly a rare opportunity to buy Sailfish for less.”

The motivation for the March sales promotion is to alleviate the production pressure midyear when it peaks with the boat show boom sales period. The objective is to level out orders.

The terms covering the Sailfish Catamarans promotion are very straight forward. The price reduction applies only to Sailfish Catamarans ordered in the month of March 2010.

The price reduction applies to all models in the range from the Sailfish Catamarans 3000 and smaller. Specifically, the Sailfish Catamarans models covered include the 2200, 2400, 2600, 2800 and 3000 series. The amount of price reduction varies from model to model, the maximum rebate is \$12,500.

“Rather than wait for the boat show and do a deal, Webbe Marine and Sailfish Catamarans have shown their commitment to deal in the month of March. By ordering now and saving, chances are that you could be on the water by the time the boat show season starts,” Gavan Daly said.

Sailfish Catamarans are regarded as the benchmark for aluminium power cat performance in Australia with a range of versatile game fishing and family-friendly models to choose from.

Webbe Marine is a specialist Sydney power catamaran marine retailer, being the authorised agent for the Sailfish, Webster’s Twinfisher and PowerCat brand of boats. The company also proudly represents Honda outboards.
