

## On Two Wheels Rev Up With Yamaha WaveRunners

Family owned motorsports retailer On Two Wheels has welcomed a second Yamaha WaveRunner agency to their Campbelltown store.

The first On Two Wheels store in Penrith has offered Yamaha WaveRunners and motorcycles since first

opening in 1996. With the Campbelltown store now following suit, the On Two Wheels team can offer the same premium range of Yamaha motorsport products and services to all their customers across the Outer and South West regions of NSW.

“We can now service our local PWC market more efficiently,” explains On Two Wheels Director Sylvio Pirota.

“With only one store carrying the PWC agency, we struggled to supply the level of service needed for our local market. Now we can offer the complete range of WaveRunner models, genuine parts and factory trained service support from both our Penrith and Campbelltown locations.”

Both On Two Wheels retail outlets offer the public over 1100m<sup>2</sup> of showroom floor brimming with the latest motorsport products. The Campbelltown store has only carried new WaveRunner stock for a short period with sales results showing great signs heading into the summer season.

“While it is still early days, we have found that families are our biggest market for the Yamaha WaveRunners,” said Sylvio.

“We carry a good range of 3 seater models which are proving popular for families wanting to enjoy a range of water sports together. The response so far has been great and we are looking forward to a big summer season.”

Boosting after sales product support is a big focus for Sylvio and his team with both On Two Wheels stores offering full PWC service facilities and a genuine parts supply service. Securing the Yamaha WaveRunner agency also brings a huge range of accessories to the table with plenty of Yamaha on-water gear available to customers.

And buying a Yamaha WaveRunner is the easy thanks to Yamaha Motor Finance. YMF is Yamaha’s own finance arm, providing Wave Runner customers with low costs and ready access to finance at market competitive rates, to approved purchasers. With YMF you can be on the water sooner than you think.

And for complete protection and peace of mind, Yamaha’s own insurance policy delivers the best cover going. It makes sound sense when buying a WaveRunner to finance and insure your new invest exclusively with Yamaha.

Sylvio Pirotta is proud of his family run business with his son now onboard to help manage the motorsport retail enterprise. Along with Yamaha Motorcycles and Yamaha WaveRunners, On Two Wheels also carries Yamaha ATV’s and Yamaha Golf Carts.

Yamaha WaveRunners are available through an Australia-wide network of authorised Yamaha WaveRunner dealers.
