

YANMAR

Power For All Boats

GM/JH Series
9-125mhp

LH Series
160-240mhp
(Shaft Drive and Stern Drive)

LP Series
315mhp
(Shaft Drive and Stern Drive)

In the world of high quality, dependable marine diesel power, no one comes close to Yanmar. That's because Yanmar marine diesel engines are purpose built to thrive in salt laden, humid bilges. Yanmar's range of engines feature advanced 'quiet design' technology that delivers noticeably smoother and quieter performance right across the powerband. Experience for yourself, miserly fuel consumption and far less exhaust smoke.

Enjoy the benefits of Yanmar's advanced cutting edge technology every time you go boating.

BY Series
150-260mhp
(Shaft Drive and Stern Drive)
