JH Series  
(39-125HP / 28.7-91.9kW)

**3YM20 (21HP) Saildrive**  
**Selected for X-34 Performance Cruiser**

### Higher Performance From Less Weight

X-Yacht owners can be certain of exceptional performance and highest quality, year after year. For almost a century, Yanmar has been designing and building the best in reliable diesels for sailing craft. Compact, lightweight, extra-tough engines, with low emissions and minimal noise, from 9HP through to big-boat power.
